WINNER'S CIRCLE

Neither rain nor snow will keep Heather Graham, leaving an N.Y.C. TV appearance, from looking snugly

Behind the Seams

CUTE YOUR OWN HORN:

It's not like it's false advertising, but songstresses **Fergie** and **Christina Aguilera** are singing their own praises with White Trash Charms' Cute As A Button necklace. Both picked up the pendant—which looks like a real button complete with gold-chain stitching—and have been wearing it out and about. . . .

Fergie

14k-gold Cute As A Button necklace, \$375; Fred Segal Tiara, 310-394-8186.

Paper Denim & Cloth kids' jeans, \$110; Barneys New York, 888-222-7639.

CARRY ON THE LINE:

As if amazing bone structure weren't enough, celeb moms like **Gwyneth Paltrow** and **Courtney Cox Arquette** are passing on their hip jeans to their kids too. The grown-up Paper Denim & Cloth they wear are now available in tot sizes.

Angelina Jolie and son Maddox

Angelina Jolie even bought a pair for ever-cool Maddox. . . .

LIGHT SAVER:

The worst place to apply lip gloss? The dark. So clever Liparazzi creator **Nina Leykind** put a tiny battery-operated light in the gloss wand and a mirror on the container. *Et voilà!* All the shine is where it's supposed to be. Liparazzi, formerly a U.K.-only item (used by **Victoria Beckham**), is now available in the States. Light on! . . .

Liparazzi Gloss, \$25; Henri Bendel, 800-423-6355.

Victoria Beckham

Divine Buddha tank, \$48, pants, \$68; www.divine-wear.com

"ACTION!" WEAR:

Heather Graham wears her Divine yoga togs, designed by **Kristine Miller**, on and off her upcoming ABC show *Emily's Reasons Why Not*. The new line of soft tops, tanks and pants are also being worn by **Salma**
